**Stunning Halle Berry is filming *Kings* with 007 actor Daniel Craig and was in the middle of shooting an action scene when her fantastic boobs made an appearance on set.**

**The tense drama is about the 1992 LA riots prompted by the acquittal of four police officers in the death of Rodney King.**

**Halle, 51, plays a single mother who takes in homeless children and has eight kids living with her. Craig plays her neighbour — the only white man living in the neighbourhood.**

# I got a Prince Albert…and then they called the baby LOUIS

## GEOFF'S DISMAY AT ROYAL BABY NAME

BABE IN HARMS: Geoff's penis is sore due to name

**WHEN Royalist Geoff Palmer heard whispers on Friday morning that William and Kate's new baby was "almost certain" to be called Albert he knew exactly what to do.**

The 54-year-old from Peterborough, Cambs, dashed out and got a commemorative "Prince Albert" genital piercing.

But when he got back to his tidy flat with his bellend freshly punctured, jobless fitter Geoff discovered the new tot had in fact been named LOUIS!

By BARNEY SAMUELS
news@sundaysport.co.uk

Last night Geoff fumed: "I was watching Twitter on Friday morning and they said the baby was going ot be called Albert and that the Buckingham Palace website had made a space for a new entry under 'Prince Albert'.

"That was good enough for me and I went out to get my cock done. I got home with a throbbing bellend and heard they'd called the bloody kid Louis!

"Louis is the name of a f**king French king, for Christ's sake! I feel a right fool. A fool with a sore cock."

Some bookies closed name betting on the Duke and Duchess of Cambridge's second son on Thursday, with a Coral spokesman stating: "We are expecting to learn the outcome tomorrow and at the moment Prince Albert looks likely."

But courtiers announced mid-morning on Friday that the nipper would be named Louis Arthur Charles.

# Kim hands over clown porn stash as 'peace token'

PEACE OF FILTH: Kim gave Moon his stash of clown porn mags

## S KOREA PRESIDENT 'TOUCHED & BAFFLED' BY GIFT

GOOD SIGN: South Korea's Moon Jae-in

By BRAD CHADWICK
news@sundaysport.co.uk

**NORTH Korean tyrant Kim Jong-un handed his counterpart in the south a "vast" stash of clown porn, in a sign that peace is on the cards for the decades-troubled divided peninsula.**

Officials said South Korean leader Moon Jae-in was "touched and baffled" by the gesture, which came during the first visit of a North Korean leader to the South since the end of the Korean War in 1953.

The two nations have technically remained at war since that bloody conflict, made famous by the American TV series *M*A*S*H*.

But in an astonishing turn of events – largely brought about by military and diplomatic pressure masterminded by US President Donald Trump – Kim Jong-Un announced the North was suspending its nuclear programme and was ready to talk.

In a moment rich with symbolism, Moon Jae-in and Kim shook hands at the Peace House in Panmunjom in the demilitarised zone (DMZ) between the two countries on Friday.

It was there, in a private moment away from the world's cameras, that Mr Kim handed over his stash of clown porn magazines, including titles such as *Big Top Bizarre Anal* and *Red Nose Nymphos*.

A source from the southern delegation said: "Mr Moon was a little taken aback but saw it for what it was – a genuine peace token.

"That smut could signal peace for the first time in living memory."

# HE TAKES ALL THE WEEK'S NEWS & PULLS ITS PANTS DOWN

## MONDAY

THE Duke and Duchess of Cambridge present their third child to the world's media, who ignore the sprog and focus on what really matters: Kate's glamorous frock.

Some fashionistas say she chose the red and white dress to echo the St George flag as it was St George's Day. Others insist it was a tribute to Diana.

But a spokesman for Kensington Palace explained: "Her Royal Highness simply chose the one with the shortest hemline as she was desperate to feel a cooling breeze on her knackered minge, which looks like a punched lasagne."

## TUESDAY

**U.S. President Donald Trump teases French counterpart Emmanuel Macron by removing a speck of dandruff from his lapel during an official photocall.**

**Sounds like the French President is very similar to the French royal family. They both need Head and Shoulders.**

## WEDNESDAY

TEACHERS say schools need digital clocks because their teenage pupils can no longer tell the time from traditional ones.

That's true.

Ask a modern teenager what it means if the big hand goes up and the other one goes down, they'll reply "sexual assault". Then start a campaign on Twitter.

## THURSDAY

**THE Scottish Conservative leader Ruth Davidson announces she is pregnant despite being a lezza.**

**She and her partner conceived the child by IVF.**

**Surely that's how every child in Scotland is conceived. Assuming it stands for Inebriated Violent F**k.**

## FRIDAY

THE veteran American entertainer Bill Cosby is found guilty of drugging and sexually assaulting a woman nearly two decades ago.

On a more positive note, he's been invited to front a tribute act for a late 1960s folk-rock supergroup.

It's called Cosby, Pills and Nosh.

# LINSEY DOES A KIM K (17 YEARS BEFORE HER)

DAWN OF AN ERA: Linsey as she gets her huge boobies moulded

MARKED KARD: Kim goes through process Linsey did

**REALITY TV star Kim Kardashian cooked up a storm last week when she posted pictures of herself getting a NUDE CAST for a perfume bottle.**

A busty babe making a plaster cast of her busters is a great idea…

One which our Linsey Dawn McKenzie came up with 17 YEARS ago!

LOTTA BOTTLE: Kim's bod for bottle copied our Linsey's idea

By SIMON DEAN
simon@sundaysport.co.uk

Aged 21, Linsey had a cast made of her famous boobs – which were at the time a whopping 36HH.

That involved getting them covered in latex to make a mould which was then filled with Plaster of Paris to make a perfect representation of the massive mammaries.

Linsey said: It was for a competition in *Sunday Sport*. It was great fun."

### Branding

Last week 37-year-old Kim shared a number of shots of her naked, plaster-covered body to promote her upcoming new KKW fragrance.

But some folk were less than impressed with the pics, with some branding her "vulgar," and a "narcissist", while others encouraged her to keep her clothes on.

One user commented: "Great thing to leave behind someday for your kids. Oh look its mom naked AGAIN."

## TV Holly in 'dirty talk' confession

TELLY presenter Holly Willoughby says she finds TALKING DIRTY sexy – as she revealed what drives her wild between the sheets.

The 37-year-old (*above*) might appear all angelic on daytime show *This Morning* but as a team captain on ITV2 show *Celebrity Juice* she regularly leaves viewers stunned with X-rated outbursts.

On Thursday night's episode host Keith Lemon, 44, had the celebrity guests play "Don't Show Your Teeth" – taking it in turns to list things that they find sexy.

Mum-of-three Holly kicked off the game and wasted no time in admitting she finds "talking dirty" sexy.

However, she also hinted that she's into bondage-style shagging as later in the show she gave "erotic fiction" and even "handcuffs" as her racy answers.

## Beatles hit lands submarine gaffe DJ in deep water

**Last week Danish inventor Peter Madsen, 47, was given life in prison for the killing of journalist Kim Wall, whose dismembered remains were found by Danish police at sea on August 21, last year – 11 days after she had interviewed him on board his homemade vessel.**

**And the grisly case was one of the talking points for studio guests on Radio Uttoxeter's mid morning show hosted Mike Creel.**

**But regular listeners branded the decision to play the Fab Four's 1969 pop hit straight afterwards as "sick".**

**Creel later apologised to listeners, and Radio Uttoxeter bosses have promised a "thorough review of playlist practices."**

# BGT star's after-show sex romp with NINE teenage squaddies

RAMPANT: Debbie the Singing Rabbit met randy lads after Blackpool audition

## RAUNCHY RABBIT SHOCKED AUDIENCE...BUT WAS EVEN NAUGHTIER AFTERWARDS!

**SATURDAY evenings are now whole again – thanks to the joy that is *Britain's Got Talent* returning to our telly screens.**

We're currently watching seven weeks of auditions, which were filmed earlier this year in front of judges Simon Cowell, David Walliams, Alisha Dixon and adulteress Amanda Holden.

But one act that you WON'T be seeing is Debbie the Singing Rabbit.

### Mystery

Debbie, whose real identity is a mystery but is believed to come from of Stoke-on-Trent, somehow got through the earlier open auditions, and made it in front of the star judges in Blackpool earlier this year.

But when the cameras started rolling for her big break, Debbie went berserk and, instead of belting out her rendition of Watership Down anthem *Bright Eyes*, she flopped out her 36GG boobs and told a string of bawdy, rabbit-based jokes.

**SUNDAY SPORT EXCLUSIVE**
By BARNEY SAMUELS
news@sundaysport.co.uk

She was quickly buzzed off and led away by security guards as members of the audience – including several grannies and lame orphans – were comforted by specially-trained ITV staff.

But 43-year-old Debbie's antics did not end there.

Because *Sunday Sport* can reveal she then went into Blackpool where, after several more scoops of cut-price booze, she ran into nine squaddies aged 18 and 19 on leave from Catterick Garrison in N Yorks.

One squaddie, who asked not to be named for fear for disciplinary action, told *Sunday Sport:* "She was well up for it and said she wanted to take us all one after the other.

"She said she didn't want us to wear nodders either, but we did. I've heard about Blackpool – the streets there are often said to be running with the clap.

"She was the dirtiest mare I've ever been with. But she didn't wear that rabbit head she was carrying around with her. That would have been too weird.

"She told us she'd just been to a *Britain's Got Talent* audition but none of us believed her at the time."

# Japs eye jackpot with new pants

FASHION experts in Japan have invented a new style of underpants which point your penis UPWARDS – to avoid sweaty balls!

The pants are advertised as having "independent space" for the cock, with breathable fabric and special designated sections for a man's shaft and testicles.

A wearer positions his knob in one slot, so that it's pointing upwards and has room to "breathe", while the gonads fit snugly in a little pouch.

The pants are made by clothing firm Yiwa, who claim their unique "scrotum and penis separation design" makes men feel a lot more comfortable, while ensuring the genitals don't sit in their own sweat.

The pants are on sale via Amazon and promise to be the "perfect gift for any boyfriend or husband".

They are also described as being "sexy and seductive".

One would-be buyer said: "These are perfect. Just in time for the summer. Endlessly inventive little fellows, your Japanese.

"But cruel...a cruel people."

THE VOICE OF YOUR BRITAIN

# Harry and Meghan are nude broom

**WE are now just a couple of weeks away from the wedding of the decade – between Prince Harry and Meghan Markle.**

This couple – and their in-laws William and Kate – are a breath of fresh air in the dusty palaces of the House of Windsor.

Harry and Meghan are bound to find a place in the nation's hearts by generously throwing open their wedding to a lucky 2,000 ordinary members of the public.

And, as Sunday Sport reports today, those ordinary people are more than grateful.

Take Frank Ford.

Defiantly naked, he has been invited to the Royals' big day, thanks to his sterling work with underprivileged children.

The Royals could have said: "We want no nudist Scout leaders at our wedding" but no.

They have defied the stuffy courtiers of Buckingham Palace.

**For that they should be congratulated.**

## Asia's minor feat

HERE at Sunday Sport we are proud to be a newspaper which celebrates diversity in all its rainbow forms.

Unlike some of our rivals, who are hidebound by their own antiquated bigotry, we are glad to welcome all comers into our tent.

That is why today, we have taken the step of celebrating the gorgeous Asia Kate Dillon.

Although anatomically female, Asia Kate choses not to identify as either or any gender – making them (we do not say "him" or "her" in this context) "gender non-binary".

This is all very confusing to anyone who is stuck in the dark days of the last century.

But not to us.

**All we're interested in is the fact that Asia Kate has their tits out.**

# BILLION DOLLAR BOOBS!

By BARNEY SAMUELS news@sundaysport.co.uk

HERE at *Sunday Sport* we pride ourselves as being the home of the topless photo.

We've had big boobs, little boobs, granny boobs – hell, we've even had man boobs.

But today, we embrace the diverse 21st century by publishing our very first NON-BINARY boobs!

In last week's episode of the brilliant Yank TV drama *Billions*, character Taylor Mason went topless during a romp with leading venture philanthropist Oscar Langstraat at Oscar's California home.

But the groundbreaking thing is that Taylor is mainstream TV's first "non-binary" character.

And in case you're not sure, non-binary means not "identifying" as male or female – despite what biology suggests.

The actor who plays Taylor, the brilliant 33-year-old Asia Kate Dillon, is non-binary themselves.

Asia Kate says her high profile and her character in *Billions* help people understand gender issues.

They said: "People tweet at me. I got one fairly recently from someone who said, basically, that Taylor was their very first encounter with a non-binary person."

MIXED MESSAGE: Asia Kate in *Billions*

Last night one *Billions* fan said: "I like a small teat and cracked a stiffy when I saw Asia Kate's boobs.

"But as she does not identify as a woman, does that make me a poof? I'm confused!"

## WHAT IS NON-BINARY?

**THE term non-binary is a catch-all category for gender identities that are not exclusively masculine or feminine.**

**Non-binary people may express a combination of masculinity and femininity, or neither, in their gender expression.**

**They may also 'identify' as being bigender, trigender, or pangender, having no gender or being 'gender fluid'.**

**Gender identity is separate from sexual or romantic orientation,and non-binary people have a variety of sexual orientations.**

**You can be arrested for a hate crime if you refer to a non-binary person as "him" or "her" – you must call them "they" or "them".**

**So...got that?**

# Thanks for the invite, Harry!

REWARD: Frank is one of 2,000 ordinary people to bag a royal wedding invite

## Nudist Frank's joy at nod to his 50 years of charity work

**CHARITY volunteer Frank Ford was left baffled when a posh envelope was posted through the door of his tidy bungalow in Kidderminster...**

But his bafflement turned to glee when he opened it and found it contained a prized invite to Meghan and Harry's royal wedding!

Frank, 67, told *Sunday Sport*: "I shed a few tears of pride and joy when I read the Prince of Wales had invited me to Harry and Meghan's wedding.

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

"I've not done 50 years of charity work for any kind of reward.

"But this really is a lovely acknowledgement of what I do and – most importantly – the people I do it for."

### Unclad

Part-time swimming coach Frank added: "I'm so looking forward to their Big Day. I love a wedding, me."

Scout leader Frank, who is a keen nudist and prefers to remain unclad whenever he can, said: "I'm buying myself a posh new suit for the day. I won't be going nude this time!"

The piano teacher and former curate said: "When I told the kiddies at the orphanage where I volunteer, they were so excited for me."

Frank is one of 2,000 so-called "ordinary people" who the Royal couple have invited to their wedding on May 19.

Although they will not get to sit down to the wedding breakfast, they will be allowed to mill around the grounds of Windsor Castle – saving them £21.20 on the normal admission fee.

BIG DAY: Meghan and Harry will marry at St George's Chapel, Windsor Castle (*right*)

## Marnie loves to watch Ex couples shag

REALITY telly star Marnie Simpson says she LOVES watching other people SHAG.

The 26-year-old is currently appearing on series eight of MTV's *Ex On The Beach*.

And in the next episode, contestants Charlotte Hughes and Zach Tull begin bonking in the middle of the shared bedroom.

Eager to get a closer look at the pair, Marnie is seen running over to another bed and makes an X-rated confession to two of the other girls in the luxury villa.

She says: "I enjoy watching…you know," before diving between the sheets to ogle the antics across the room.

All three girls are seen staring open-mouthed as they watch Charlotte, 24, and Zach, 23, shagging on their bed.

After watching for a while, Marnie looks shocked and quips: "I couldn't do it for that long, it would hurt!"

Previously on the show, Marnie ground against Kurtis Hartman, 21, before rekindling her romance with her ex, Casey Johnson, 22.

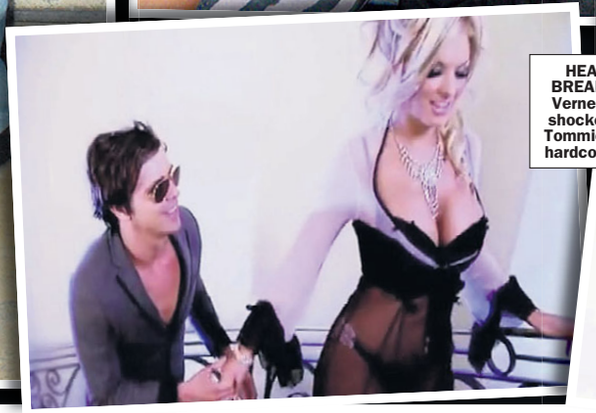
## TRAGIC LITTLE STAR HOPED HE'D BE THE ONE TO SHAG BABE ON FILM

PLAYBOY: Verne met Tommie Jo and Verena at Hugh Hefner's world famous pussy parlour



HEART BREAKER: Verne was shocked by Tommie Jo's hardcore vid

**TINY Verne Troyer died of a broken heart after watching *Sunday Sport* babe Tommie Jo in a XXX porn movie, we can reveal.**

The two-foot-eight *Austin Powers* star bumped into 32DD Tommie in 2010 when the glamour babe visited Hugh Hefner's Playboy mansion with modelling pal Verena Twigg.

Tommie had no idea that titchy Verne fell head over heels and had held a candle for her ever since.

A pal of the pint-sized actor, who died last weekend at the age of 49, said: "Verne loved women. He loved a lot of women. But for him, Tommie Jo was perfection itself.

By BARNEY SAMUELS
news@sundaysport.co.uk

### Shagged

"He was too shy too say anything but he was in love. Then, a while back, he saw Tommie Jo in a porn video called *Cruella* in which she's being shagged every way up and gets this bloke's spunk all over her chops.

"It's really explicit and Verne was horrified. If anyone was going to do porn with Tommie Jo, Verne would have preferred it to be with him. It was as though someone had chopped the top off his head and had a big sloppy shit into his dreams.

"He was never the same."

Verne's spokesperson confirmed the death of the star last week.

A statement read: "It is with great sadness and incredibly heavy hearts to write that Verne passed away today. Verne was an extremely caring individual. He wanted to make everyone smile, be happy and laugh. Anybody in need, he would help to any extent possible.

"Verne hoped he made a positive change with the platform he had and worked towards spreading that message every day … Verne was also a fighter when it came to his own battles. Over the years he's struggled and won, struggled and fought some more, but unfortunately, this time was too much."

A spokesman for the LA coroner said:"Verne Troyer was admitted into the hospital with a high level of alcohol in his system. His body was turned over to the Coroner office."

# CURSE OF THE MIDGETS

VERNE is not the first dwarf to gave fallen foul of the fickle finger of fate.

Indeed, it seems that when Lady Luck is out and about she deliberately shuns little people and empties a big bucket of smelly misfortune on the vertically-challenged.

Here we look at some other short-of-stature folk who life has treated less than fairly…

## HERVE VILLECHAIZE

**FAMED as one of Scaramanga's henchmen in *The Man With The Golden Gun* and as the sidekick Tattoo in *Fantasy Island*, Paris-born Herve was the biggest dwarf of his age.**

**In 1983, the three-foot-11 legend demanded to be paid the same as his Fantasy Island co-star Richard Montalban.**

**He was fired, and at around the same time split from his model-actress wife.**

**Villechaize became alcoholic and depressed, so he missed several roles that he was offered.**

**His health problems also increased – mostly suffering from ulcers and a spastic colon – and he nearly died of pneumonia in 1992.**

**On the afternoon of Saturday, September 4, 1993, after having watched a movie, he wrote a note and made a tape before shooting himself.**

## NICHOLAS READ

AFTER playing an Ewok in *Return of the Jedi* and a goblin in the first Harry Potter movie, Nicholas Read had the world at his elfin feet. That's when Lady Luck decided the good times must end.

In 2011 Read was given a suspended jail sentence for indecently exposing himself to a 17-year-old girl while fondling himself under a hat on a train.

Read – four-foot-five – had been travelling north from London after judging a croquet competition where he had drunk half a bottle gin.

A year later he got a 16-week suspended sentence for another flashing incident, in which he drunkenly exposed himself to two female medical students on a train.

Hollywood didn't come calling again.

## IAN SALTER-BROMLEY

**FED up with being abused, Salter-Bromley decided to take desperate measures.**

**The four-foot pocket dynamo claimed Hull Council hadn't protected him from being picked on by his neighbours over his size, and accused them of making the kitchen adaptions in his council flat too high to reach.**

**Having stormed down to the council offices, the 54-year-old raged at staff, calling them "useless f**kers", before pooing twice on the floor.**

**Salter-Bromley said in a hearing that his neighbours stole his wheelchair and walking sticks, and was also the target from schoolchildren who would play 'let's torment the dwarf' during school holidays.**

**The following year he impersonated a Dalek by sticking a sucker dart to his head and threatening to 'exterminate' two carers…**

**He was then tasered by cops and hauled before the courts once more – where he was caged for nine months.**

## SNEEZY

PERHAPS the most ill-fated of all Snow White's seven pipsqueak helpers, Sneezy probably suffered from an allergy that led to his repeated snotty ejaculations.

Unfortunately, in long-ago fairy story times, there was no such thing as antihistamine.

The constant sneezing would have caused sinus infection, dizziness, insomnia and possibly dropsy.

Dr Graham Barrington, an archaeological diagnosis consultant at the University of West Lancs, said: "The chances are that Sneezy would have felt very depressed at his lot in life.

"My guess is that he would have finished off that poisoned apple that Snow White took a bite out of.

"If it put Snow White to sleep, it would easily have killed Sneezy.

"That would have been a sad end to a short life."

# UN step in as ale-out war brews over beer

NEVER mind Syria, as war is about to break out between Nepal and Switzerland – over a new BEER!

The Turbinenbräu brewery in Zurich recently cooked up a beer flavoured with the fruity timut pepper of Nepal.

Turbinenbräu boss Adrien Weber decided to use the name of former Nepalese monarch Birendra, which – as he pointed out to newsmen – sounds like 'beer'.

But when a distributor went online and posted a pic of the product – whose label features a smiling image of the king with beer in hand – the reaction was worthy of a hangover.

Nepalese media said by using the likeness of Birendra for commercial purposes, the Zurich brewery had damaged the reputation of their former monarch.

As controversy over the beer flared online, there were reports of a demonstration outside the Swiss embassy in Kathmandu.

This was followed by reports of Nepalis being attacked on the streets of Geneva by far-right Swiss nationalists.

Last night the United Nations called for both countries to step back from all-out war.

# Patio w**k perv gibbers like ape

**A WOMAN woken by "sounds of loud moaning" discovered a naked man sprawled out in her back garden with massage oil and a sex toy nearby and "bodily secretions" on her patio windows.**

**Cops responding to an emergency call found Christopher Worrell, 30, (*above*) "completely nude" near the woman's Largo, Florida, house.**

**After being detained by police, Worrell said that he wished to speak to investigators.**

**But attempts to quiz him were "unsuccessful," as he was "gibbering away like an ape".**

**Worrell was charged with lewd and lascivious behaviour and public intoxication after being given time to come down off whatever the hell he was on, said cops.**

# 50-FOOT COCK COVER-UP SHOCK!

By HUGH JOHNSON
news@sundaysport.co.uk

**A GIANT blue PENIS painted on the side of a building has been partially covered up – by an ad for men's UNDERWEAR!**

Even the broad-minded folk of Stockholm, Sweden, were shocked when the 50-foot phallus turned up on an apartment building in the central Kungsholmen neighbourhood.

The penis, painted in the bright colours of the Swedish flag, is the work of artist Carolina Falkholt, who said that she wanted to spark discussion about sex with her piece.

It was painted on a legal graffiti wall set up in Stockholm by the art organisation Kollektivet Livet, so there was no need to consult with residents beforehand.

But now the cock has been vandalised – not with a protest about its veiny shaft and bulbous bellend but with a plug for Petters Underwear.

The slogan on the graffiti reads: "Keep your penis inside."

Installations on the graffiti wall normally stay for six months but the cock will be covered up early on account of a huge number of recent complaints.

**But the event has run into controversy, with the student wing of the conservative Christian Democratic Party questioning whether student union funds should be used to for it.**

# IT'S NOT FILTH ...IT'S ART!

## Candid book celebrates 'the new subtle form of erotic'

By SIMON DEAN
simon@sundaysport.co.uk

**IF you have a collection of *Razzle* magazines, the chances are you keep them under the bed – out of the wife's way.**

But stick a load of boobs and fanny snaps in a posh hardcover book and – hey presto! – you've got art that you can leave out, in plain view, on the coffee table!

Which brings us to *New Fashion Nudes* – a stunning new title from Goliath Books.

It is described thus: "The spontaneity of the candid and the accidental produces an orchestrated and arranged pseudo-style random photography, a style particularly used in the performing arts as well as in fashion photography. The pictures appear to have accidental framing, imperfect lighting and occasional colour faults. Natural looking models are photographed, often in everyday situations, for an unpretentious, casual and lascivious take on erotic photography."

In other words, top-end readers' wives pics.

The book contains 240 glossy pics taken by 15 of the worlds top snappas and costs just £32.99.

## 'Unfussy' sex monkeys make super-ape in national park

RANDY monkeys have been shagging other species, creating a new hybrid SUPER-APE.

And the primates from Tanzania's Gombe National Park have been at it for hundreds or even thousands of years, according to a new study.

By peeping into the DNA from the faeces of 144 guenon monkeys from the site, experts found evidence of mating between two genetically distinct groups – red-tailed monkeys and blue ones.

These are known for their striking features long thought to be signs of species-specific mating – some have bushy beards, others have brightly-coloured tufts of hair, and even more have big noses.

But the new study suggests they may not be that choosy after all.

Red-tailed monkeys and blue monkeys are thought to be the only species of guenons living in the narrow forests along Lake Tanganyika in Gombe National Park.

The result is hybrid offspring which now make up roughly 15% of the park's monkeys.

Dr Kate Detwiler, who led the research, said: "There's a lot of promiscuity in Gombe National Park."

## Breathalyser undies drink driver nicked

**A MAN arrested on drink driving charges was wearing underwear imprinted with the word "breathalyser" and the phrase "blow here".**

**Cops claim Daryle Campbell, 54 (*above*), was driving in a "reckless driving pattern" when he was pulled over in Fort Pierce, Florida.**

**Officers said that Campbell, who was only wearing his underwear and was barefoot, told police he was driving to a friend who had a flat tyre.**

**He refused a sobriety test, claiming he had gout, and was nicked and charged with drink driving.**

**Cops who searched Campbell's truck found a cock ring, condoms and binoculars sitting on the passenger seat.**

## Beach w**k perv nabbed by 'cheese'

A MAN having a crafty wank while watching women at a busy beach was caught – because of his Tourette's.

Police called to the scene caught Jacob Lawrence Morris, 22 (*above*), after he was spotted looking at women in bathing suits and masturbating inside his vehicle on the Dunedin Causeway in Florida.

According to arrest reports, Morris pulled over several times in his truck close to where women in swimsuits were sunbathing.

He would roll down the window and peer at bathing beauties while tugging himself.

And his tossing off would've gone unnoticed were it not for his involuntary yelps and cries of "CHEESE!"

According to cops, Morris tried to speed off "in a reckless manner" but was later arrested on charges of marijuana possession, exposure of a sex organ and trying to flee from police.

# My poor hubby died while sucking off a rhino on our dream safari holiday!

**TIPPLEADVISOR: Muriel has had labels made for her Pomagne to remind her of Bill**

By BARNEY SAMUELS
news@sundaysport.co.uk

**WHEN Bill Scholes retired after 45 years working as a steel fitter, he took wife Muriel on the holiday they'd always dreamed of – an African safari!**

But the dream turned into a nightmare when, thanks to a combination of the searing equatorial heat and mind-bending Kenyan aperitifs, Bill became unruly to the point of perversion.

And when a game ranger pointed out a rare black rhino rooting around in the scrub, things took a tragic turn.

**WINO AND THE RHINO: The Kenyan booze made Bill lunge for wild beast**

### Fellate

For instead of photographing the beast with his newly-bought £3,000 long-lens camera, Bill leapt from the safety of the safari Land Rover, rushed over to the thick-skinned male and attempted to fellate the one-ton beast.

Being a creature of habit, with little in the way of brain and with poor eyesight, the rhino was perplexed by the bizarre turn of events and promptly trampled Bill into the sun-baked Kenyan dust.

Now back at home in Corby, Northants, Muriel has spoken to *Sunday Sport* to warn other safari-goers of the risks of the bush.

She sobbed: "Back home, Bill had never shown any sexual inclination whatsoever towards rhinos, or any other perissodactyl species for that matter.

"But, like they said back in the days of the Empire, the tropics do things to a man. The tropics and that Kenyan brandy he knocked back like it was going out of fashion.

"He'd never been a big drinker, had Bill. Only birthdays and Christmas. It must have gone straight to his head. But what kind of booze makes a man want to suck off a ruddy great rhino?

"I'll never forget the sound of Bill's head kind of popping when the rhino stamped his front foot on it. There was poor Bill's addled brains all over the scrub.

"Worst of all, we had to take his body back to camp covered in a tarpaulin. The flies were absolutely horrific and I said as much in my TripAdvisor review."

An inquest into Bill's death has been opened and adjourned.

Meanwhile, Muriel has decided to mark her husband's passing by having commemorative labels made for her favourite Pomagne.

She said: "It means that when we break open the Pomagne this Christmas, Bill will sort of be with us. The daft twat."

Nicola plays Hannah Stern, a divorce lawyer who leaves the family firm to work for some shark-like corporate mob.

MOSQUES could be banned from sounding the traditional Muslim call to prayer.

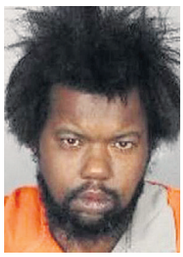
The proposal is aimed to counter alleged plans by some mosques in the Nordic land to begin issuing the Islamic call to worship.

A Progress Party spokesman said: "A great many people perceive it as annoying and inappropriate."



## Thief nicked for anus beef burger flash

A MAN suspected of shoplifting hamburgers and steak dropped his trousers to prove he stole nothing – and was promptly nicked for indecent exposure.

Police said things escalated quickly at Read's Food Store in Mart, Texas, when Issac Milton, 40 (*above*), was confronted by the shop's manager.

His arrest warrant states: "When the store manager asked him to hand him the meat products, in an act of bold defiance, Milton pulled down his pants – exposing his anus and genitals.

"Milton made a lewd gesture as to thrust his penis forward to the store owner."

The affidavit says Milton was standing next to his daughter, and an off-duty cop in the store at the time of the incident overheard the little girl utter: "Daddy, you're nasty. Pull your pants up!"

The off-duty officer's daughter and his wife also saw the incident.

Milton was taken to McClennan Co Jail on an indecent exposure rap.

'SCUM': Spencer

**IT wasn't a good day for teacher Raquel Eleana Spencer...**

Because officers who came to quiz her over allegations of bonking a student found a stash of HEROIN in her desk!

Spencer, 28, taught English and was also an assistant cheerleading coach and assistant track and field coach at Northwest Whitfield High School in Tunnel Hill, Georgia.

It's not clear if she has been shagging a hunky male student or one of the cheerleaders she coached.

She was arrested at the school and taken to the Whitfield County Correctional Center where she was charged with possession of heroin and also sexual assault by persons with supervisory or disciplinary authority.

By GREGORY ALLIS

And her arrest is now the talk of the town.

Katelin Jenkins, the parent of a student attending Northwest Whitfield High School, said: "I never would have imagined that a teacher, of all people, would get up to this kind of thing.

"There's so many students that go to Northwest, and they really depend on these teachers – they look up to them. It's just sad."

Another parent, Lisa Beavers, gasped: "Her doing heroin in school? Subhuman scum!"

A spokesman for the school district said last night that Spencer has since submitted her resignation.

**NO films in recent years have had quite the effect on Britain's sex lives as the *Fifty Shades of Grey* franchise.**

The movies, starring Jamie Dornan and Dakota Johnson, are based on the trilogy of hugely-successful "mummy porn" novels that made author RL James a multi-millionaire.

Fifty Shades brought kinky S&M sex out of the shadows and into bedrooms across the nation.

S&M – or BDSM to give it its full name – is code for a variety of erotic practices or kinky roleplaying involving bondage, discipline, dominance and submission, sadomasochism and other saucy acts.

SUNDAY SPORT EXCLUSIVE
By GRACE HOOPER
news@sundaysport.co.uk

## Specialist

It's been around for as long as sex but until Fifty Shades was mostly practised away from public gaze, in central London dungeons and described in specialist, closed-circulation magazines.

Fifty Shades – and of course the internet – has widened the appeal of S&M and allowed people to find out much more about it.

And many, many more people have decided they like the look of what they see.

Specifically, the increased popularity of S&M has seen a surge in work for professional dominatrices, a huge growth in numbers visiting fetish club nights and an explosion in the sales of S&M gear.

Today, as part of *Sunday Sport*'s EXCLUSIVE Sex in Britain Uncovered and Uncensored series, we speak to a professional dominatrix and two S&M newbies for whom Fifty Shades was the gateway into a wild new world of sex!

## THE DOMINATRIX

**MISTRESS Tania (not her real name, obviously) worked in a London bank until 2015, when a wave of redundancies at her firm left her jobless.**

With a London flat to pay the exorbitant rent on and no great desire to head back to The City, Tania decided on a change of career.

And that's when she turned her hobby into a lucrative business.

The 34-year-old explained: "I have been interested in the alternative scene since I was a teenager. I was a Goth at one time and when I got into my twenties, I was drawn to the fetish scene.

"My partner at the time liked a bit of mild bondage but I was always intrigued to take it further. I persuaded him to go to a fetish club and it really freaked him out.

### Lashed

"There were men and women hanging from harnesses being fisted, there were people being lashed with leather whips, there were men and women being led about on chains, being ordered to rim strangers.

"My ex thought it was too weird but it made me so horny. It made a lasting impression."

Tania's relationship didn't survive that introduction to the fetish club scene but it only convinced her that she'd found her sexual home.

She said: "Soon I was going to clubs twice a week and developed a role as a dominatrix.

"When I lost my job at the bank, I could have walked into another job in finance but decided instead to become a professional dominatrix."

And she's not looked back.

Using her contacts in the banking world, Tania managed to secure a business loan to buy equipment for her new venture.

She said: Fetish gear is not cheap. A bog-standard professional mistress outfit can cost £1,000 and the equipment costs a lot more than that.

"I borrowed £10,000 to equip my first dungeon and it was nowhere near as well fitted out as some places. But it was enough for a start and since then, as my client base has expanded and I've become a lot more successful, I've added to my gear.

### Rack

"Last year I bought a rack that cost £15,000. I figured that it would pay for itself in nine months and it did, in half that time."

Tania offers all services – apart from straightforward penetrative sex.

She said: "If you just want to f**k, go to a massage parlour. For one thing, it'll be cheaper. Come to me for everything else. I do anything you can imagine, plus plenty of stuff you probably couldn't, not even in your wildest fantasies."

Tania's rates start at £250 for half an hour of domination and humiliation.

She said: "I have a sliding scale and the more exotic stuff I negotiate on a case to case basis.

"I had one City gent who wanted me to burn the end of his cock with a cigarette while going to the toilet in his mouth.

"He paid £5,000 for an hour of that and he loved every minute."

## THE S&M NEWBIES

SEXUAL POWER: Suzanne persuaded Daryl to act on her darkest desires

**DARYL Green wondered what had got into wife Suzanne after she read the first of the Fifty Shades novels in 2013.**

The computer analyst from Watford, Herts, said: "I never had any complaints about our love life but after Suzanne had read Fifty Shades…WOW!"

Suzanne said: "Obviously, I'd read all the sex tips stuff in magazines but Fifty Shades was so much hornier than that. It made it so real and so erotic.

"After each chapter, I wanted to try out what I'd read. Poor Daryl must have been exhausted!"

But after being introduced to the fictional characters Anastasia Steele and Christian Grey, Suzanne fancied getting deeper into the shadowy world of S&M.

She said: "By nature, Daryl is a caring and considerate lover and I love that about him.

"But I fancied a change. I wanted to be dominated and used – but by someone I loved and trusted totally.

"Daryl took some convincing to treat me like I wanted to be treated and we had a few false starts. But he sort of adopted a persona for our sex games.

"Eventually, he was ordering me to rim him and would spank my bare bottom if I didn't do it to his complete satisfaction.

"I loved it when he strapped me to the bed, face down, and put a dildo up my bum, all the time calling me his 'dirty arse whore'. I even squirted for the first time when he did that.

### Filthy

"After I squirted, Daryl spanked me for being a 'filthy, pissy whore'. That just made me come again and again."

Eventually, Suzanne convinced Daryl to go to an S&M dungeon in London.

She said: "First of all we went to a fetish fair, which was quite an eye opener, and we bought a paddle and some wrist and ankle restraints. That little lot cost us £200!

"We got the details for a fetish night at a club in central London and went along. We agreed that neither of us would do anything with anybody else. We simply didn't want to.

"After a few drinks Daryl got right into character and was spanking me as I was bent over this kind of vaulting horse.

"I was surrounded by men all watching – at a polite distance – and wanking themselves silly.

"Even though I was being the submissive one, I felt so powerful – sexually powerful.

"Daryl pulled the car over on the way home and f**ked me senseless in a lay-by. I've never come so hard.

"S&M has changed our lives."

# Posh folks in rage at sex parties

A POSH suburb has reacted angrily to SEX PARTIES at a home in their community.

Residents say the orgies at one home are causing parking problems and noise.

One neighbour said she received a copy of a party invitation from an anonymous person concerned about the events.

It shows 400 guests were invited with 87 people, including 35 couples, sending a 'yes' RSVP.

She said: "I think it is disgusting."

The invitation refers to the 'Thunderstorm Play Palace' and boasts a 7,500-square-foot dwelling with every amenity, including alcohol, food (complete with a vegetarian menu) and chocolate fountain.

The risque invitation also advises guests to bring condoms and show respect for the "new furniture."

The party organiser in Castle Rock – a swanky part of Denver, Colorado – said he's made efforts to conceal anything offensive.

## M-way cops nab naked drunk in 10mph golf cart

A MAN was nicked after he was caught driving a GOLF CART the wrong way down a motorway at 10mph – while stark NAKED.

When he was pulled over by gobsmacked police, Adam Kyle Chamberlain (*above*) said he thought there was a golf cart path along the side of the road and that he'd got lost while trying to find his way home.

It appeared that Chamberlain, 41, had been drinking.

He struggled through field sobriety exercises and at one point even complained to a deputy he "could not do these exercises sober".

Chamberlain asked the officer to call his dad so he could go home and promised he wouldn't drive the golf cart anymore.

An empty bottle of whiskey was found wrapped in a towel in the cart, and a pipe with marijuana residue was found in a pocket of Chamberlain's shorts.

He was booked at the Sumter Co Detention Center in Bushnell, Florida, and charged with drink driving and also endangering traffic.

**WHEN a superfan of Peter Kay went to a live screening of the comic's *Car Share* telly show at the Blackpool Opera House earlier this month, he had no idea his idol would be there.**

Sadly, the brush with Peter, 44, was to be the last highlight of Clive Dent's life.

**SUNDAY SPORT EXCLUSIVE**
**By SEB WATSON**

### Famous

Last week, while he was hosting a *Car Share*-themed dinner party at his home in Chorley, Lancs, Clive, 57, choked to death on the very food Peter Kay helped make famous – GARLIC BREAD!

Widow Susan, 55, wept: "Clive loved Peter Kay. He'd been to all his shows and was absolutely devastated when Peter cancelled his UK comeback tour.

"So seeing him in Blackpool was such a massive thrill."

But Susan explained the excitement got too much during the dinner party last Sunday.

She said: "Clive was telling us – again – about Peter Kay looking right at him from the stage.

"But he was munching a piece of garlic bread – like what Peter Kay had us all laughing about in *Phoenix Nights* – at the time and some of it went down the wrong way.

"None of us knew first aid and by the time the ambulance arrived, Clive was stone dead.

"Clive lived for Peter Kay so it was perhaps apt he died while telling us a Peter Kay story.

"It's how he could have wanted to go.

"Either that or being crushed by a 20-foot cock and balls."

The second series of *Car Share* ended on an cliffhanger last year as Peter Kay's character, John, didn't reciprocate the advances of his car share colleague, Kayleigh, played by Sian Gibson.

The final series will be screened on BBC2 next month.

# TWO NIGHTS A WEEK ON WEBCAM PAYS ALL MY STUDENT FEES

By GRACE HOOPER
news@sundaysport.co.uk

**MEET Sarah Parker... a brainbox uni babe with NO worries of graduating in debt..**

Because the 22-year-old is paying her student fees simply by playing with her big, floppy busters twice a week for lusty webcam fans.

Sarah, who is studying for a BA in sociology at Manchester University, said: "My parents can't afford to pay my fees and I don't want to be saddled with huge debts when I graduate.

"I had two options – going on the game or doing webcam stuff. Webcam won the day."

Sarah soon amassed a core of almost 100 loyal followers who pay £10-a-week to watch her twice-weekly, breast-based kinky play.

She told *Sunday Sport*: "It's fun, easy work and doesn't interfere with my studies."

The bespectacled babe, originally from Dudley, West Mids, added: "I do special requests for a few quid extra.

"One guy wanted me to put pegs on my nipples, and another wanted me to rub butter all over my tits. I got an extra £50 from them!

"It's also a real turn-on. I'm wet when I finish a session.

"And it more than pays for my student fees and living expenses."

FUN BAGS OF CASH: Sociology student Sarah has an army of paying punters who love to watch her play with her big boobs

## Hairy-arsed neighbour's nude garden council row

A MAN spent six days painting his house and riding an exercise bike NAKED in his garden to protest against his new neighbours.

James Penlidis, of Melbourne, Australia, said the house being built next door was an invasion of his privacy and decided to give them "something to look at".

The local council had assured him that the new house would have frosted glass in five windows overlooking his bedroom and living room, but when the windows were installed the glass was clear.

James raged: "I was lied to by the council, builders, surveyors. So I thought, 'If you want something to look at, I'll give you something'.

"No-one wants to see a hairy Greek guy with it all hanging out."

So James stripped down as he cleaned his gutters, lit his gas grill, painted and worked out – all in broad daylight and plain view of the new residents.

He explained that he went naked to show off how exposed and unprotected residents are when dealing with the building process.

# Countdown Rachel in bumhole fingering storm

*COUNTDOWN* beauty Rachel Riley was left red faced when boyfriend Pasha Kovalev, 38, went rogue during his guest stint on her showby spelling out the word 'bumhole' from random letters...

But it was NOTHING compared to what came later!

We only know about the bumhole incident because fun-loving Rachel tweeted a picture of the cheeky anagram.

By SIMON DEAN
simon@sundaysport.co.uk

And it was on Twitter that 32-year-old Rachel's bumhole came in for a right battering from fans.

Mitchell Sirling said: "I don't think your teatime audience could cope with you fingering a bumhole."

Another fan drooled: "Would definitely tongue punch yours."

A pal of the star said: "Rachel's not daft. She knows that if she parades the word 'bumhole' on social media, people will talk arse-fingering and rimming."

Meanwhile a twitter user with the name mozzer74 said: "Some bumholes are better than some, I'm sure yours is mathematically perfect."

It's thought Rachel's bumhole moment will be cut out before broadcast.

She tweeted: "Off to the edit room floor."

## 10 things you might not know about THE CHUCKLE BROTHERS

ALMOST a decade after *ChuckleVision* ended, the legendary Chuckle Brothers are set to return to screens with a brand new Saturday night show.

Barry, 73, and Paul, 70, ruled children's TV for years with their slapstick comedy and Channel 5 have signed them for a new teatime series, *ChuckleTime*.

So to celebrate their return, here are 10 things you might not know about the comedy duo…

**1 THEY'RE into gaming. In July 2016, they released a mobile phone app called *Chuckle World* and earlier that year they appeared in a promotional video for the game *Hitman*.**

**2** THEY collaborated with rapper Tinchy Stryder on the song *To Me, To You (Bruv)*, recorded to raise money for the African-Caribbean Leukaemia Trust.

**3 THERE'S actually four brothers! As well as Barry and Paul, there's Jimmy and Brian too. All four used to appear as The Patton Brothers before Barry and Paul took to kids TV.**

**4** JIMMY, who did appear on *ChuckleVision*, caused controversy when he revealed he was to marry a 25-year-old fan 59 years younger than him.

**5 THEY used to nights out with X-Factor's creator. Barry once said: "In the summer of 1980 we used to go clubbing with Simon Cowell."**

**6** THEY want to appear on reality TV. Barry said: "I'd probably do *Celebrity Big Brother*. We were asked and they were talking to us about it but nothing came of it. I think they thought we weren't nasty enough."

**7 PAUL and Barry are fans of League One football club Rotherham United and are honorary presidents of the club.**

**8** THEIR success began when the Chuckle Brothers won television talent show *Opportunity Knocks* in 1967. *ChuckleVision* lasted for 22 years with 292 episodes before it came to an end in December 2009.

**9 THEIR real surname is Elliott.**

**10** IN April 2007 Paul broke his nose when he lost control of his motorcycle after braking to avoid sheep and goats while on holiday. Instead of seeing if he was okay, tourists who stopped at the accident shouted his famous catchphrase "to me, to you".

# DUBAI COP BRAWL TWINS' XXX-RATED PORN VIDS REVEALED

WORKING ABROAD: Sisters are now lawyers in Dubai

CHEEKY GIRLS: Twins strip off for porn action

**TWIN British sister lawyers facing jail in Dubai for drunkenly assaulting a cop and 'cursing Arabs' are used to being naughty.**

Because they both used to be spunk-guzzling HARDCORE PORN stars who have each taken YARDS of hard cock on camera.

Alena and Sasha Parker made adult films while studying law in London.

They were born in the poor Soviet state of Belarus in 1981 and got British citizenship eight years ago.

The identical blondes – born with the maiden name Velikanava – came to the UK after meeting British telly director Miles Parker while he was making a film in Russia.

The sisters moved to London to study law and Alena married Parker in January 2001. Sister Sasha changed her name by deed-poll to Parker.

Alena studied law at the University of London and University of Westminster between 2002 and 2007. They then moved to Dubai.

But they were not just studying law – they were also making grumble, including the *London Shaggers* franchise and the classic *The Twins*, which featured TV hard man Dave Courtney.

In the porn films, the girls each have their wet minges penetrated by a string of hung studs.

And at the end of each scene they gobble down load after load of scalding hot SPUNK!

The two girls – now 36 – were arrested on August 4 last year for 'rough behaviour' on a night out, Dubai Misdemeanours Court heard last week.

They face up to three years in jail in the strict Gulf state if convicted of 'cursing Arab women' and being intoxicated.

# Sex acts poster causes mass debate

**A POSTER showing kinky sex acts has been removed from an art exhibition after a complaint from shocked mums.**

**The large drawing was taken down from the window of the LCB Depot in Leicester after one mother said her nine-year-old son had seen the erotic images as they walked to the nearby Curve theatre.**

**The poster depicts a number of adults involved in sexual intercourse, oral sex, masturbation and other explicit acts.**

**Leicester councillors had urged the LCB Depot to remove the poster, with Leicester City councillor Adam Clarke saying: "Explicit images like this shouldn't be visible from the street or on view to those who might be offended.**

**"All explicit images were removed straight away."**

**James Burkmar, workspace manager at the LCB Depot defended the position of the poster, adding: "The mother has a point but, overall, I am comfortable with this as it is.**

**"Our mission here in Leicester is to try to raise the profile of the creative community in the city. The idea is to spark debate and discussion."**

# DEANO ON SUNDAY

## Maybe Donald will come up Trumps

WHEN Donald Trump was elected US President, most shuddered with terror and shook their heads with astonishment that the Yanks could do anything so silly.

World War 3 was on the way, many grimly declared.

News he's coming to the UK in July has provoked a left-wing meltdown.

But look at the proof of the pudding.

Since Trump came to power, the US has done rather well.

And on the international stage – where we all thought Trumpy would cause merry mayhem – this crass, boastful, egotistical, thin-skinned thug has also done rather well.

In the very near future, he will sit down with North Korea's unhinged leader Kim Jong-un to talk disarmament.

And North Korea has already suspended its nuke tests.

Did St Barack of Obama – the smoothie who Trump is constantly contrasted to – achieve anything like that during his term in office?

And the Russians?

The powers that be are hounding Trump over allegations Moscow helped him into the White House and that the President is in Putin's debt.

Well, events in Syria don't seem to suggest that.

Yes, Trump's tweet – Trump TWEETS, for Christ's sake – that missiles were on the way after the Douma gas attack wasn't exactly a high-level diplomatic intervention.

The Russians warned of grave consequences if the West fired on its ally Syria.

But the bombs fell and – hey presto – no Third World War.

Days later, Russia announced it didn't want an escalation.

### Misjudged

That was the very thing they threatened if action was taken.

Another victory for Mr Trump.

Perhaps – just perhaps – we've misjudged Trump.

Yes, he's crass and prickly. Yes, he has a penchant for grabbing 'pussy' – a certain no-no in these days of prudish #MeToo hysteria.

But he gets the job done.

That, after all, is what he does.

You don't get to be a billionaire by being an idiot.

We've been here before.

When Ronald Reagan was elected President in 1980, the liberal elite were certain this former cowboy actor would lead us all to Armageddon.

He was lampooned as an idiot and his polices were derided as simple-minded right-wing nonsense.

In fact, he turned out to be one of the greatest US Presidents of all time AND won the Cold War.

I'm not sure if we'll look back at Trump's presidency in quite the same way, but you never know.

Maybe all those gun-toting, Bible-bashing, ye-haa Yanks CAN be trusted to choose the leader of the Free World after all.

MOTHER OF ALL HORRORS: Drunk mum Gloria gets hauled out by security

By SIMON DEAN
simon@sundaysport.co.uk

SPARE a thought for poor Mike Hoole who treated his old mum Gloria to a trip to Tenerife.

Mike, 26, and his missus Wendy, 23, took 57-year-old Gloria with them when they travelled to the Canary Islands – and almost immediately wished they hadn't left their home in Sunderland.

Mike said: "Mum's been a bit down since Dad was electrocuted by the mower last summer so we thought a trip would cheer her up.

"Unfortunately, Mum downed a bit too much cheer. She started on the plane and never stopped the sauce all week."

The low point came when Gloria stripped naked and danced in the hotel fountain.

Mike said: "I was mortified. The security guards pulled her out. Everyone could see her minge – my mum's minge, for Christ's sake!"

Red-faced Gloria would only comment last night that she was "unused to foreign wine."

HOL HELL: Mike and his wayward mum Gloria are now back in England

# TEACHER'S KINKY SEX WITH 2 TEEN PUPILS

By BRAD CHADWICK
news@sundaysport.co.uk

**A RANDY school miss was so crazy for teen COCK she had sex with two pupils, cops say.**

Darci L. Lake, 23, pleaded guilty to unlawful sex with a minor after admitting having it off with two male students aged 14 and 16.

### Contact

Lake faces up to 18 months in prison for each charge if convicted.

The former teacher was arrested in back in December on allegations of having a sex with the underage Maysville Local Schools students in Zanesville, Ohio.

The Sheriff's Office initially received a report of a possible sexual relationship between Lake and the 16-year-old.

She then admitted she and the lad had sexual contact twice in her home, twice in his home, and once in his car.

The lad confirmed that the teacher "loved it in the ass".

The relationship took place from February to November 2017, during which time the student turned 17.

The authorities then discovered that Lake also had a sexual relationship with a 14-year-old student during the same time frame.

Police said she sucked the 14-year-old's cock during the course of the relationship, from March to August 2017.

Lake was hired to work at the Maysville Local Schools through a group which hires out substitute teachers to school districts across Ohio.

The former teacher has since lost her contract with the schools and has been sacked from the group.

Prosecutors plan to recommend that Lake be sentenced to prison.

Her trial has not yet been scheduled.

# COUPLE HAD THREESOME WITH HUSKY CALLED BUBBA

**A COUPLE are facing animal cruelty charges after they had sex with their dog in a backyard motorhome that they converted into a sex chamber.**

Frederick Blue Manzanares, 50, and his ex-girlfriend Janette Eileen Solano, 48, were arrested in March and have been charged with four counts of cruelty to animals.

Police began to probe the pair in March 2017 after Solano reported Manzanares for domestic violence.

She later told a cop that they only had an argument, but that she was leaving him because he pressured her into having sex with their dog.

Solano claimed that she first discovered pictures of bestiality on the couple's laptop at the home they share in Aurora, Colorado, and confronted Manzanares about them.

She said he told her to have an open mind and then began introducing her to bestiality videos, forums, and literature, case documents state.

Solano said the couple then began having sex with their Siberian husky mix, named Bubba.

She alleged these sex acts occurred inside a motorhome Manzanares had fitted out with a padded bench to make it easier to have sex with the mutt.

**BEASTLY ACTS: Solano (*top left*) and Manzanares are alleged to have had sex with their pet**

By BRAD CHADWICK
news@sundaysport.co.uk

### Arouse

Manzanares allegedly used dog hormone spray to arouse Bubba and would take pictures and videos while they had sex with him. Videos of the couple having sex with Bubba were later found by police.

Solano said she had started to be "somewhat jealous" of her boyfriend's relationship with their dog and that it would often lead to arguments.

She told police: "It can easily appear as if I've taken a backseat to Bubba."

Bestiality only became illegal in Colorado in 2007. Aurora Police Department officials would not reveal where Bubba is now.

## FIRST HANDJOB

**ANNIE:** The first time I gave a handjob I didn't really know what I was doing. I was 16 and did it to a guy from school when we were revising for our GCSEs.

He'd been flirting with me for days and then he just grabbed my hand and put it on his crotch. I was game and had a go but I must have been doing it wrong because he didn't come and he said it was painful.

I've since learnt a bit of moisture helps – and not to be so fast and furious.

**DANIELLA:** I'd been dating this guy and seeing as though everyone else was tugging their boyfriends off I thought I should have a go at mine.

I'd barely got it out of his pants before he shot everywhere. It can be a bit messy if you're not prepared. I rushed to wash my hands because I thought I'd get pregnant.

## FIRST SEX

**ANNIE:** When I lost my virginity I was the most nervous I've ever been in my life. I did it with my first proper boyfriend.

I'd made him wait for four months to make sure he was the right guy because I didn't want to lose it to just anyone.

We did it in his single bed while his mum was out shopping. It was his first time as well and it was absolutely great, in fact it was beautiful!

He was really gentle and I loved every second of the five minutes that it lasted!

**DANIELLA:** I wish mine had been like that. I really regret how I lost my cherry. I was 16 and did it with a lad who lived near me at a party.

He was good looking but he was a bit of a dick and I'd never have slept with him if I hadn't been really drunk.

To be honest, I can hardly remember having sex but I woke up the next day feeling like crap and wishing I could turn the clock back.

## FIRST BLOWJOB

**ANNIE:** I gave my first blowjob in my back garden. My boyfriend had dropped a couple of hints that he'd like me to do it so I took the opportunity and went for it.

I quite liked doing it because it was a turn-on for me seeing how much he was enjoying what I was doing to him.

It only took a few minutes for him to cum and I swallowed it. It seemed a bit minging to spit it all over the grass and it didn't taste that bad, just a bit salty.

**DANIELLA:** I was worried about getting my blowjob right so I put it off until I was 18. Then one night my boyfriend asked me if I'd like to try it and I thought I should have a go. He was really nice about it and there was no pressure.

It was actually miles easier than I thought it was going to be and he came in about five minutes.

I swallowed it as well and it didn't taste nearly as bad as I thought it was going to. I always swallow now, it's part of the fun.

## FIRST SEX ORGASM

**ANNIE:** I'd been having sex for six months before I experienced my first orgasm outside of masturbating and it wasn't even during sex, it was during foreplay.

I'd never experienced anything so good in all my life and I just kept saying to my boyfriend "do it again"!

**DANIELLA:** You're lucky! I didn't have one for about a year and one night my boyfriend just seemed to put loads and loads of effort in and something magical happened.

I nearly went flying off the bed it felt so good. I told him whatever he'd done he was going to have to keep on doing it!

## FIRST TIME BUM FUN

**ANNIE:** One of my exes was always trying to convince me to have anal sex with him but I was never up for it. I've tried it since and loved it. Don't tell me ex!.

**DANIELLA:** None of my boyfriends has ever asked me to try it. I'm curious about what it'd be like.

> **I was over the moon when he tied me up to the bed – the sex that night was electric!**

## FIRST HUGE WILLY

**ANNIE:** My second boyfriend had the first big willy I've had and I'd say it was close to nine inches long. My first boyfriend had been quite big so I wasn't that intimidated.

I thought it might be a little bit tricky to have sex with him but it was easy and we had a good sex life.

The sex wasn't out of this world, though. I've had better sex since then with guys who weren't as well-endowed.

**DANIELLA:** I had a bit of a fling with one of my flatmates last year and he had the first big one I've had. I was terrified when I saw it grow because I'd never had one bigger than about five inches before and I was sure it was going to hurt.

He was gentle, though, and the sex with him was quite good. It didn't hurt a bit. I've had better smaller ones, though. It's all about what they do with it.

## FIRST SEX TOY

**ANNIE:** The first sex toy I used was a dildo from a nightclub vending machine. My boyfriend told me to buy it and I was drunk so thought it'd be a good idea.

We used it that night but my boyfriend didn't have a clue what to do with it and it did nothing for me. When I took over it was brilliant, though, and really turned me on. After about 10 minutes I was raring to have sex and he was pretty turned on from watching me use it!

**DANIELLA:** I've never used a sex toy. I've just never had the need to use one because I've always had boyfriends or shag-buddies so why settle for second best when you've got the real thing on tap?

I don't believe anything can be as good as the real thing so it's unlikely I'd ever entertain using a sex toy.

## FIRST TIME OUTSIDE

**ANNIE:** My first time in the great outdoors was in a field in the summer when I'd just left school. My boyfriend and I were both really horny but his parents were at home and so were mine so we had nowhere to do it.

There was a field at the back of his house so we went there instead. It was at night so no-one could see us and it was good fun. It was like being at one with nature. My mum asked me why I had mud all over my knees when I got home, though!

**DANIELLA:** The first time I did it outside was on a beach on holiday when I was 18. We'd gone for a walk and found this secluded stretch of beach and we both knew what each other was thinking.

It was loads of fun and felt really naughty but things started to get a bit painful when sand started getting into places it shouldn't. We stopped in the end because a load of people in canoes came right past us and started wolf-whistling.

## FIRST TIME LIVING OUT A FANTASY

**ANNIE:** I haven't lived out any of my fantasies but we lived out my boyfriend's last year when he got me to dress up as a stripper and lapdance for him.

I found it really awkward but I did it because I could see how much he was getting out of it and that got me going a bit. My fantasy is to have sex with my fella on a remote desert island. Let's just hope he takes me somewhere nice so we can live it out!

**DANIELLA:** I lived out my fantasy about six months ago when my ex tied me up to my bed. Our sex life had got boring so I was over the moon when he did it.

We had a great time that night – the sex was electric and I loved being submissive.

# LEGENDS OF PORN

PART 1

## MICHELLE THORNE

By SIMON DEAN
simon@sundaysport.co.uk

**BRISTOL-born Michelle's adult film career began in 1999 with *All Amateur: Girls of the UK*.**

Since then, she has become one of the most famous faces – and fannies, and arses – of the UK porn scene.

Never happier than with a fat cock up her bum, another in her pussy and a faceful of scalding spunk, Michelle has made hundreds of grot movies.

The 42-year-old also has her own X-rated dedicated website where she treats members to red-hot clips.

Although she is heterosexual, many of her pornographic films involve lusty lesbian sex.

Michelle is also hugely into watersports and has starred in her own self-titled vids *Michelle Thorne's Dripping Wet Volumes 1 to 4*.

And the 32E stunna is also a classically-trained singer.

In 2005, she participated in ITV's best-loved talent search show in episode two of season two of *The X Factor*, being knocked out in the 3rd round stage.

# BOOBS ON THE BOX

## BRITAIN'S ONLY NAKED TV GUIDE with SIMON DEAN

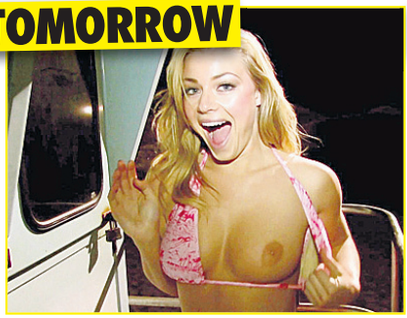
## TODAY

**ITV3, 11.10pm – *The Constant Gardener***
RALPH Fiennes webcams Rachel Weisz and sees her succulent, soapy knockers in the tub at 18 mins. Bonus sudsy seat when she gets out and dries off, too!
**5 Star, 11.25pm – *Timecop***
MIA Sara shows off her breasts (*above*) in a love scene with Jean-Claude van Damme at 11 mins.
**5 Spike, 11.05pm – *Shadow Man***
CORINA Toader drops her duds to entice her man with her perfect, round, squeezable seat meat and brief right boob at 7 mins.

## WEDNESDAY

**Horror Channel, 1am – *Bordello Of Blood***
THE juicy Jenna Persaud (*above*) whips off her top at 18 mins, presents her pretty pair to a guy, and then tastes his blood. Like you do.
**Film4, 11.20pm – *Regression***
KATE Stephey mounts a dude at 55 mins in some kind of sex ritual, showing off her botty before turning into an older woman played by Arlene Frattini – who shows her busters!
**Sky Thriller, 11pm – *American Gangster***
KADEE Strickland's kajoobles get a brief baring at 32 mins when her man takes a phone call while the pair canoodle in bed.

## TOMORROW

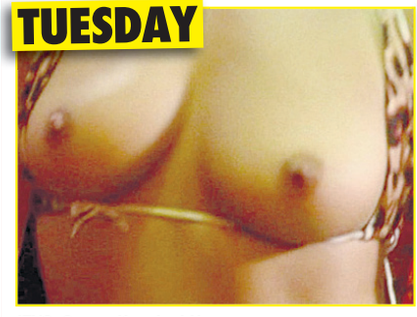


**Horror Channel, 9pm – *The Sand***
A CHEEKY Nikki Leigh (*above*) flashes her left breast at just under 3 mins from the start.
**Sony Movie Channel, 11.15pm – *Code of Honor***
APRIL Jorgensen is topless and riding a guy cowgirl-style when he gets shot in the head at 1hr 33 mins.
**Movies4Men, 1.10am – *Counter Measures***
NICE breasts and butt, courtesy of Lada Boder, in what would be a really good sex scene at 44 mins – if it didn't have so many edits…and if somebody turned on the ruddy lights!

## THURSDAY

**ITV4, 11.40pm – *Swordfish***
YOU get to see Halle Berry's gorgeous boobs (*above*) for a full six seconds at 38 mins. That's enough to rub two loads out.
**Horror Channel, 10.45pm – *Psycho II***
THERE'S plenty of T&A steaming up the shower at 35 mins, but it isn't the real Meg Tilly. It's a body double.
**Sony Movie Channel, 9pm – *The Girl With The Dragon Tattoo***
ROONEY Mara plays dirty little Lisbeth Salander in this version. Boobs throughout.

## TUESDAY



**ITV2, 9pm – *Knocked Up***
THAT Stormy Daniels gets about a bit, doesn't she? Taking it up the shitpipe in a porn flick one moment, shagging the future US President the next, then starring in a top Hollywood movie. See her busters (*above*) at 1hr 27 mins.
**Horror Channel, 9pm – *Into The Grizzly Maze***
SOME great looks at Kelly Curran's casabas as she and James Marsden prepare to get it on, but then he backs out! The big pussy!
**Film4, 11.20pm – *Stoker***
MIA Wasikowska gives us a look at her right teacup and butt while she buffs her snatch in the shower at 58 mins.

## FRIDAY

**BBC1, 11.50pm – *No Strings Attached***
YOU'LL need eyes like a shithouse rat but Natalie Portman's teat pops out of her dress at 52 mins. Peek-a-boob.
**E4, 9pm – *Magic Mike***
NICE bits of teat thanks to Mircea Monroe (*above*) and Olivia Mumm.
**Horror Channel, 9pm – *The 6th Day***
QUICK – but oh, so nice – T&A as Sarah Wynter wakes up on an operating table then angrily stomps away at the 40 mins mark.

# PICK

## TODAY

## MONDAY

### *Tricks of the Restaurant Trade* – C4, 8.30pm

**A FOURTH series of this insight show presented by Simon Rimmer and Sophie Morgan.**

**To be honest, after three previous series, I'm surprised there are any secrets left to share. In this show, Rimmer steps into the world of research and development at Starbucks, while Morgan investigates cocktails.**

**Pah! Some secrets.**

**At the Indian near me, they found out that the head chef was wiping his arse on the naan breads.**

**Now, THAT'S a secret!**

## A taste of the arse-licking to come

### *The Royal Wives of Windsor* – ITV, 9pm

**YES, even MORE Royal arse-licking from ITV. Give the bloke who runs ITV a knighthood and get it over with. (She's a woman and she's already a Dame. You're fired – Ed).**

**Ahead of the wedding of Prince Harry and Meghan Markle, this documentary explores how the women who have married into the house of Windsor over the last century have transformed one of the most famous dynasties in the world.**

**Historians including David Starkey, Kate Williams and Piers Brendon, broadcasters Jeremy Paxman and Gyles Brandreth (*right*), biographers Andrew Morton, Penny Junor and Anne Sebba, royal insiders and journalists provide a review of British social history through the lives of the royal wives of Windsor.**

# OF THE TELLY

By BARNEY SAMUELS

## Get some cans and chill out!

### *Live Snooker: The World Championship 2018 Day Nine* – BBC2, 1pm

HAZEL Irvine presents as Day Nine continues at the Crucible Theatre in Sheffield, featuring the second session of two more second-round matches.

Seven current or former world champions were involved in the second round last year, with Mark Selby, Ronnie O'Sullivan and John Higgins the only ones to make it through to the quarter-finals.

Nowt like a bit of snooker with a few cans on a Sunday afternoon. With a heavy lunch inside you, watching balls being potted beats pottering about in the garden.

### *Ace Ventura: Pet Detective* – C5, 5.25pm

AN eccentric but brilliant former cop sets himself up to champion the underdog – as a private eye specialising in locating missing animals.

The zany detective is called in to find a kidnapped dolphin – the mascot of an American football team – and uncovers a plot involving high-level police corruption.

Despite bing described as "zany", in the telly schedules, this is actually very good indeed.

### *Invitation to a Royal Wedding* – ITV, 9pm

TREVOR McDonald and Julie Etchingham present a look ahead to the wedding of Prince Harry and Meghan Markle, and go behind the scenes on previous royal ceremonies.

Featuring chats with people who have worked on past occasions and this one, and the incredible lengths they go to to maintain secrecy.

An hour of arse-licking, dressed up to look like a hard documentary.

The sort of thing, in short, that ITV do so well these days.

## TUESDAY

### *Cunk On Britain* – BBC2, 10pm

THIS has been one of the few genuinely funny shows on telly at the moment, written by ballbag-faced genius Charlie Brooker.

This final episode looks at Brexit Britain, so let's hope it doesn't revert to the usual BBC line of "All Brexiteers are racist knuckleheads, let's have a laugh at them."

That would be a shame as this mockmentary has had some fine, laugh out loud moments – and the bird playing Cunk looks a bit of a sort.

### *My F-ing Tourette's Family* – C4, 9pm

YEARS ago, the BBC screened a documentary called *John's Not Mad* – the first show about Tourette's.

It was groundbreaking, fascinating stuff and – because we were mere striplings at the time – insanely funny.

At school the next day, we spoke of little else.

Now, alas, every other show is about Tourette's and – because we're grown up now and subject to the rules of political correctness – are not allowed to laugh at sufferers.

This show is, basically, exactly the same as *John's Not Mad*.

## DON'T MISS THIS!!!

### *Syria: The World's War* –BBC2, 9pm

WITH the world poised on the edge of nuclear Armageddon over Syria, you may have asked yourself – why the jiggering f**k is this patch of dust and scrub so important to the world's big powers?

This fascinating two-part doc presented by Lyse Doucet looks at what's caused the kerfuffle and why everyone so interested in it.

So, when the Russian atom bombs start falling, at least you'll know what it's all about.

# THE WORLD FAMOUS AGONY Page

## Dear Ava,

MY boss is a 45-year-old brunette babe with massive tits.

She made it clear that she wanted to f**k me when I joined the company, and I'd only been working there for two weeks when she sucked me off in her office.

We now have sex a couple of times a week, usually over her desk or in her car.

The sex is amazing and she even lets me take her up the wrong 'un… but that's the problem.

She's now told me that she's bought a strap-on dildo and that she's going to take ME up the shitter next time!

I'm really not up for it, but I'm scared she will make life difficult for me at work if I refuse.

*HF, Manchester*

**Ava says…**
**SHE let you do it, so you should return the favour!**

## Dear Ava,

I'VE been shagging my wife's sister for the last six months.

It started because the missus has gone off sex following the birth of our second child.

I was in the pub one night and saw her sister sitting there looking stunning. I told her about my problem and she listened intently – then said I could shag HER!

She is brilliant in bed, and loves sucking me off. And she likes to be tied up and taken from behind.

The problem is, she now wants us to leave our partners and get a place together.

What should I do?

*YT, Sussex*

**Ava says…**
**WHAT a mess. End this affair now and pray that your wife never finds out.**

## DO YOU HAVE A SEX PROBLEM?

# Our blockbuster romp in kinky sex cinema

## Dear Ava,

**ME and my busty girlfriend are both 27 and we're really into swinging.**

She's bi-sexual, so I have enjoyed a number of cracking threesomes – with her and other babes in the past.

But last weekend we did something really naughty.

We went to a cinema that was showing hardcore porn.

All around us single blokes were wanking themselves silly and the sounds of groaning filled the theatre.

I got on my hands and knees and started sucking on my girl's clit.

She soon orgasmed and then tossed me off.

Then she spread her legs and hooked her knees over the seat in front of us.

Five fellas then took it in turns to tongue out her slippery hole while she sucked me off.

It was fantastic – but on the way out we noticed my boss from work had been in the cinema at the same time as us and when I next went into the office he quietly told me that now he wants a go on my lass – or else he'll sack me.

He's a fat f**ker and she won't do him. What should I do?

*JL, Hants*

## Ava says...

**TELL him you want to do his wife.**

## Dear Ava,

I RECENTLY got divorced after being with my miserable bitch of an ex-wife for six years.

It was never a great marriage and to top things off I couldn't perform properly in the bedroom.

This dented my confidence and I had to move in with my brother.

To get my sex life back on track, whenever I got the chance I chatted up my female neighbours.

I'd been there for less than a week when a gorgeous brunette from across the road invited me in for a coffee.

### Nosh

I sat in the living room and she came in with the drinks, and then asked if I fancied a nosh.

I said yes and she told me to get my trousers and undies off.

After I'd stripped and sat back on the settee, she took me to the back of her throat.

And it didn't take me long to explode down her neck.

Then I pulled off her knickers and went in head-first. I then entered her dripping love-cave and banged her senseless.

Since this delightful incident I have slept with a total of seven of my neighbours.

And three of them believe we have something going.

Am I being disloyal to these women?

*JG, Kent*

## Ava says...

**YES – but at least you've got your sex confidence back!**

**Ava says...**

**Oh dear, sounds like your fella's a real workaholic. Maybe you should have an affair with one of the country's numerous unemployed?**

This Sheila Grant loves nothing more than surprising her man by waiting NAKED for him to come home from work.

The 33-year-old model, from Newcastle, said the anticipation of waiting by the door for her lover to come home turns her on.

The 36E scorcher said: "I love to keep my fella satisfied.

"I use my naughty toys while I wait – so I'm in the mood by the time he gets home!"

# Saints stay alive after Dusan double

SAINTS THE WINNERS: Charlie Austin and Dusan Tadic

## Tadic the star as Sparky bags first win

| | |
|---|---|
| Southampton | 2 |
| Bournemouth | 1 |

**SOUTHAMPTON boosted their survival hopes with their first win under Mark Hughes.**

Dusan Tadic was the star with two brilliant strikes for the home side.

The midfielder has been having a poor season but showed his class when putting the Saints in front.

He finished off a counter-attack with a sharp low shot.

Bournemouth levelled the game through Josh King seconds before the half-time whistle.

That knocked the stuffing out of the crowd but not the home players.

Tadic went on a mazy run through the Bournemouth midfield and defence before drilling the ball into the net for a vital winner.

Sparky was delighted with the effort shown by his team who are now breathing right down the neck of Swansea.

Hughes said: "Everyone knew we needed a win and draw wouldn't do.

"I thought we were good value for the lead, then we conceded from a set-piece. We have been damaged by previous results, but to a man they all stepped up, dug in, got back in the lead.

"At the end we were throwing bodies to keep them out. It is a huge result for us, doesn't mean anything yet but potentially significant.

"Everyone is behind the guys, they showed great endeavour, no shortage of skill either, two great goals from Dusan Tadic.

"We need to have the teams above us looking over their shoulder, and this result does that. They know we have good quality, we just need to keep momentum. If we keep going like today it will go close."

Bournemouth boss Eddie Howe wasn't happy.

He said: "The goals we conceded were big mistakes and we got punished for them.

Disappointed with how we played, it was a game we could and should have won if we play like we can."

HAPPY: Mark Hughes

# CHAMPIONSHIP

| | |
|---|---|
| Aston Villa | 1 |
| Derby County | 1 |

**A LATE Villa goal denied the Rams all three points they needed to almost be certain of the play-offs.**

**Derby went in front after 14 minutes through Cameron Jerome's strike into the corner following a neat pass from Andrea Weimann.**

**Villa slowly clawed their way back and Jonathon Kodija hit the post before Lewis Grabban notched his 20th of the season. The race for the top six goes to the final day.**

| | |
|---|---|
| Barnsley | 2 |
| Brentford | 0 |

THE Tykes dragged themselves out of the bottom three on goal difference after this hard-fought win over Brentford.

Kieffer Moore luckily opened the scoring for Barnsley when his cross went in off the back post.

The points were sealed when Ollie McBurnie headed home at the far post just after the break to end Brentford's play-off dream.

| | |
|---|---|
| Burton Albion | 2 |
| Bolton W | 0 |

**THE battle to stay up will go the last day thanks to the Brewers' win against fellow survival hopefuls Bolton.**

**Hope Akpan opened the scoring for the home side striking from a tight angle.**

**The lead was doubled when Lucas Akins prodded home from close range just eight minutes later. Bolton look poor and in trouble at the bottom with Nigel Clough's men taking their fight for survival right to the death.**

| | |
|---|---|
| Hull City | 0 |
| Cardiff City | 2 |

THE Bluebirds moved back into second place a point clear of Fulham in the final promotion spot after a tense win against Hull.

Neil Warnock's men went in front through Sean Morrison's header from a Joe Rail's cross following a well worked corner.

Morrison sealed the points firing into the bottom corner from a pass by Nathanial Mendez-Laing after a quick counter-attack by the visitors.

| | |
|---|---|
| Norwich City | 2 |
| Leeds United | 1 |

**THE Canaries moved to 12th in the table with a win over Leeds who went in front with a fantastic strike form 25 yards by Kalvin Phillips.**

**Kemar Roofe could have doubled the lead but fired into the side netting before Wes Hoolahan equalised right on half-time.**

**Hoolahan — who retires at the end of the season — then played in Josh Murphy to score the winner before Vrancic missed a chance.**

| | |
|---|---|
| N Forest | 0 |
| Bristol City | 0 |

THE Robins go from the sublime to the ridiculous by following last week's 5-5 draw with this goalless effort.

Forest could have won the game in the second half when Osborne was brought down in the box.

Frank Fielding saved Lee Tomlin's weak penalty kick to give City a share of the points.

The draw puts them out of the play-off race.

| | |
|---|---|
| QPR | 3 |
| Birmingham | 1 |

**BLUES went in front after 27 minutes through Che Adams but the joy was short-lived as Rangers levelled through Osayi-Samuel's finish two minutes later.**

**The Hoops notched their second goal against the run of play in the second half when Illias Chair scored from close range.**

**The points were sealed in injury time through Matt Smith's strike.**

**Birmingham still need a point from their final game against Fulham.**

| | |
|---|---|
| Reading | 0 |
| Ipswich Town | 4 |

THE Royals collapsed after a goalless first half to concede four in the last 20 minutes.

Martyn Waghorn opened the scoring for Ipswich after 70 minutes before assisting Jordan Spence who rifled in the second.

Freddie Sears came off the bench to make it three and Calum Connolly put the icing on the cake for the Tractor Boys in stoppage time.

| | |
|---|---|
| Sheff United | 0 |
| Preston NE | 1 |

**THE Lilywhites ended the play-off hopes of their Yorkshire hosts with a fine win that keeps their own faint hopes alive.**

**The Blades could have taken the lead in the first half but Declan Rudd saved well from Leon Clarke.**

**The winner came just before the hour as Alan Browne poked home following Josh Harrop's parried effort.**

**Preston are two points from the play-offs heading into the final weekend.**

| | |
|---|---|
| Wolves | 0 |
| Sheffield Wed | 0 |

WOLVES were presented with the Championship trophy after the game but were held to a disappointing goalless draw.

Benik Afobe and Romain Saiss both went close in the opening period for Wolves and Diogo Jota also went close after the break.

That was all the champions could muster against a very defensive Owls team.

BIG DEAL: Saints fans at Wembley for the semi-final

# SELL-OFF CAN BOOST GAME

**THE news that Wembley could be sold came out of the blue – but it could be good news for football fans.**

It looks like Fulham owner Shahid Khan will be buying the stadium for upwards of £500 million, but the FA will continue to run the £300m valued Club Wembley hospitality business.

You know that bit, the one that provides television viewers all over the world embarrassing scenes of empty seats either side of the tunnel well into the second half of most big games as the football-blasé suits can't be bothered shifting their arses from the free bar.

There are two good things to come from this though: England international matches should be going on the road again which means the rest of the country gets to see their team at one of the fantastic new stadiums that have been built since Wembley reopened in 2007.

And (hopefully at least) FA Cup semi-finals will return to neutral venues.

Again, since England returned to Wembley some amazing stadiums have been built and they deserve to host some of the game's biggest matches – including play-off finals.

If both teams in a play-off final are from the north, why not play it at Old Trafford? As for any profits from the £800 million sale of the £757 million stadium being sunk into grassroots football, well I won't hold my breath…

★ **Arsenal fans beware, those that wanted Arsene Wenger gone may be celebrating now, but it could quickly be a case of 'be careful what you wish for'.**

**Wenger's departure sees the end of an era in English football management.**

**There was a time when we mocked continental teams for their rapid turnover of managers but we quickly followed suit and the likes of Fergie and Wenger are without doubt the very last long-serving coaches and, as Manchester United fans have discovered, changing a long-term boss can have less than satisfactory results.**

**WEST Brom showed their fighting spirit with a battling win at St James's Park.**

**It's now eight points from four games since interim boss Darren Moore took over from Alan Pardew.**

**The Baggies got the decisive goal just before the half-hour.**

**Matt Phillips made the breakthrough from 10 yards out after good work to lay on the chance by Jake Livermore.**

**Dwight Gayle almost squared the game only for Ben Foster in the West Brom goal to show the form that earned him eight England caps.**

**The Baggies could have made the point safe through James McClean and Jay Rodriguez who both failed to convert decent chances.**

**They almost blew it when Kenedy knocked the ball past Foster — but the post came to West Brom's rescue.**

**A delighted Moore said: "We did everything that was asked of us, we came here to a tough arena, against a good team, and we needed to perform well to get a result.**

## Resolute

**"I was pleased with the result, it was a good, solid performance.**

**"We could have even scored more goals, we had plenty of chances, and after we scored our defence was resolute too.**

**"We're just continuing to look forward to the next game now, we'll enjoy today, and look forward.**

**"There's nothing we can do about anyone else, we're just looking after ourselves, we're just doing everything we can at our end, and the boys have done really well.**

**"The players have been excellent since I came in, and the staff too, and the club as a whole really, we've gained strength in unity. Everyone's done their part and we just need to keep doing the same.**

**"We're just priding ourselves on doing well for the club at the moment, and I'm delighted for everyone connected with the club, but again, we can't control the other factors."**

## WITH HIS SPORTING ODDS AND ENDS

ALL ACTION: Sanchez has started to show his true form

# SAN-SATIONAL

**JOSE Mourinho has never lost a home league game to Arsene Wenger and I would be surprised if the Gunners got a result against Manchester United this afternoon as the Frenchman takes an Arsenal side to Old Trafford for the last time.**

The Gunners are yet to pick up a point away from the Emirates in 2018 and they must still be kicking themselves for conceding that late equaliser to Atletico Madrid on Thursday in the first leg semi-final of the Europa League.

## Twist

The Gunners are 9/4 at BetVictor to qualify for the Final in Lyon next month and I think they can do it despite drawing the first leg at home when dominating the game.

I know Atleti haven't conceded at home in 11 games but Chelsea won in the Wanda Metropolitano earlier in the season in the Champions League and I wonder if the Spaniard side will not know whether to stick or twist given a goalless draw will be enough for Diego Simeone's side to qualify.

Arsene Wenger may well shuffle his pack with Thursday night in mind because he's pinning all his hopes on winning the Europa League.

That means the recommendation is for United to lead at half-time and full time at 11/10 with BetVictor on what could be a pretty comfortable afternoon for the home side.

It will be interesting to see what sort of reception Alexis Sanchez gets both on and off the field and it would be no surprise if his former teammates were slightly frosty with the Chilean who had, arguably, his best game in a United shirt at Wembley last weekend.

Sanchez is 13/8 to find the back of the Arsenal net and I wonder whether if, after a slow start, he is beginning to find his legs at Old Trafford.

## Alexis to lead United past Gunners

★ Lewis Hamilton was 7/5 to win the Azerbaijan Grand Prix today with world title leader Sebastian Vettel 11/4 and Daniel Riccardo 5/1.

The Red Bull car showed in China last time that it is going to chase the Mercedes and Ferraris all the way this year although you wonder when Max Verstappen (9/1) is finally going to come of age. It's about time he did.

★ At Salisbury this afternoon I hope to see First Eleven (3.10) go one better than when second on his last juvenile start in a Newbury maiden.

The selection should improve for the step in in trip but this son of Frankel may need to settle better if he is to fulfil his potential. He still holds a Derby entry but that engagement looks fanciful at this stage.

Foxtrot Lady (4.45) remains a maiden after five starts but she ended her two-year-old campaign by finishing third in Redcar's listed Two-Year-Old Trophy and this stiff 6f trip should suit Andrew Balding's filly.

Her Majesty could do with a few quid to pay for her grandson's forthcoming wedding and Sailing Home (2.40) is taken to break her maiden tag at the third time of asking.

The filly ran well enough over a mile on her two juvenile starts, but she is bred to appreciate the step up in trip this afternoon and Manchester City supporter Michael Bell has his string in decent form.

**Wilfried Zaha believes the win has made Palace safe from the drop with 38 points.**

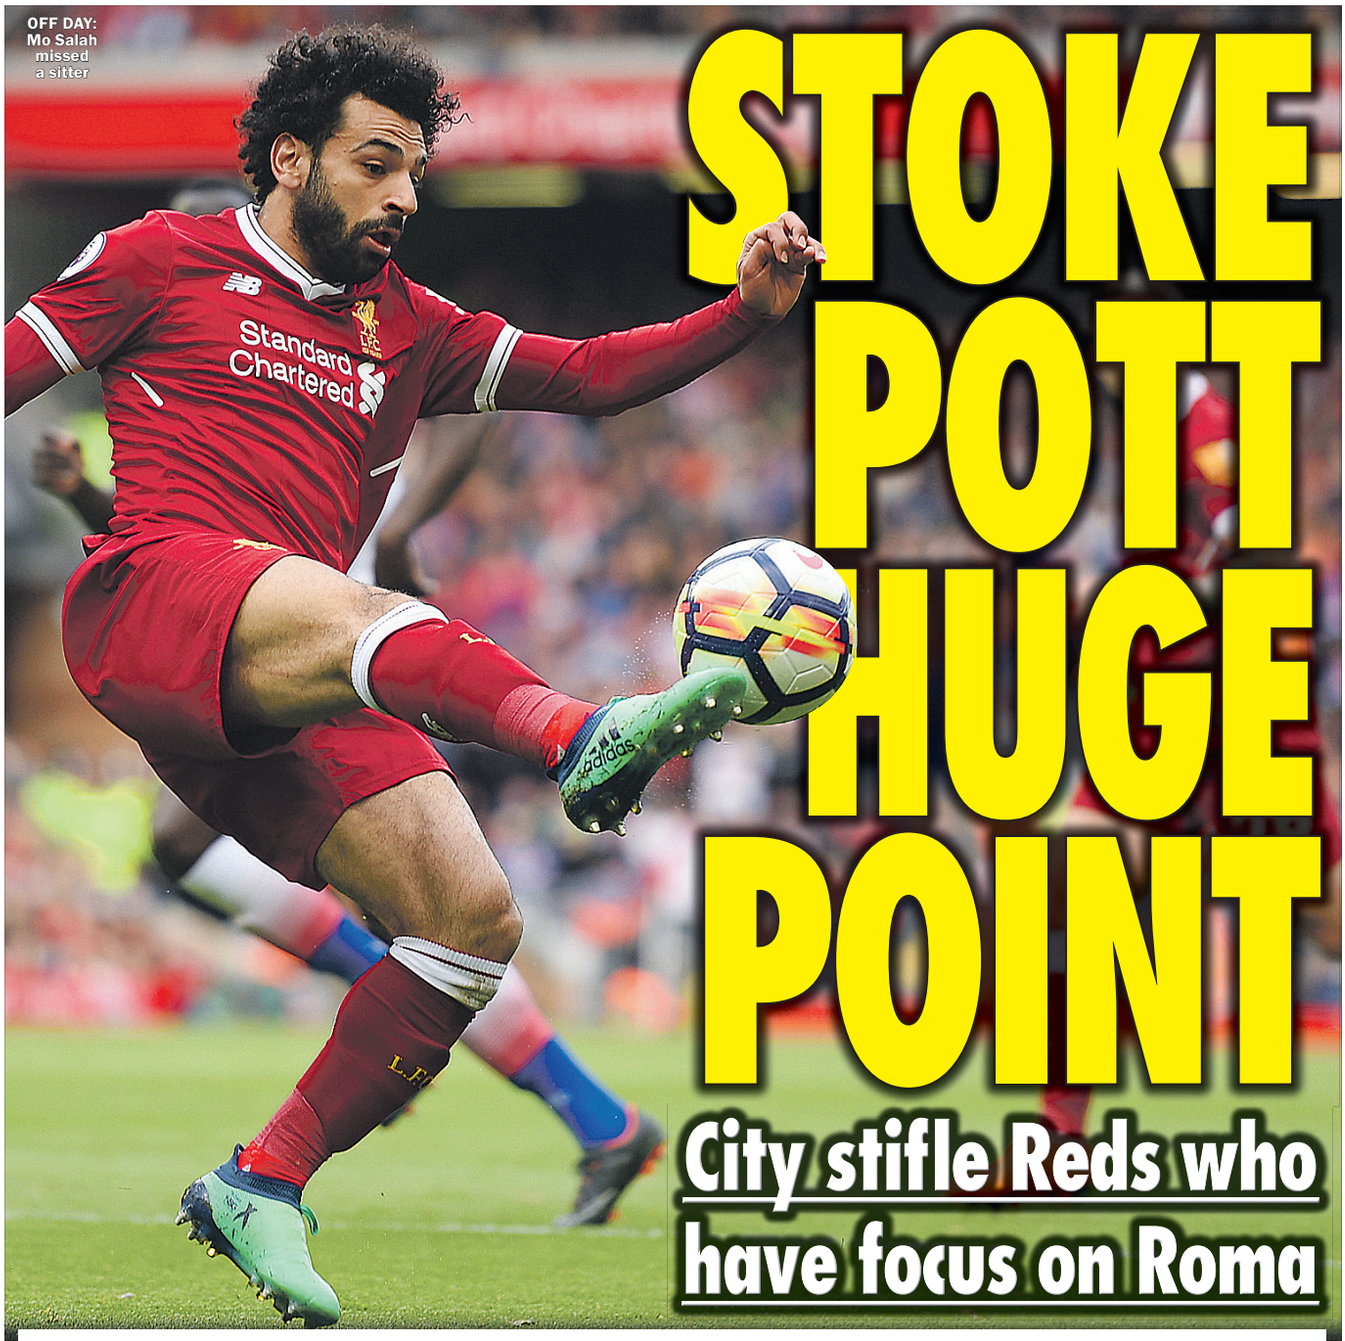
**Zaha said: "We knew what we had to do and I'm happy we managed to do it.**

**"We've got all our players back after a rough period of injuries and we are back to ourselves and winning games.**

**"We still have a few games left and will take each game at a time, but that should be enough. If we play like that we should be fine."**

# PREMIER LEAGUE: LIVERPOOL 0 STOKE CITY 0



OFF DAY: Mo Salah missed a sitter

# STOKE POTT HUGE POINT

## City stifle Reds who have focus on Roma

**STOKE manager Paul Lambert believes his team are still "in the fight" for Premier League survival after taking a point at Anfield.**

By ANDY MILLOM

The home side had both eyes on their Champions League semi-final against Roma on Wednesday and never really got going.

Klopp made five changes to his side — but Mo Salah kept his place.

### Flagged

And he missed the best chance of the match when played clean through on the Stoke goal.

He collected the ball and calmly dinked it over Jack Butland — but it went the wrong side of the post.

Danny Ings had the ball in the net a few minutes later but he was rightly flagged for offside.

The second-half saw the Potters sit deep and defend their lead.

Liverpool had a shout for a penalty late on when Erik Pieters blocked a cross with his hand. There were two home players waiting to tap the ball home but the referee didn't give it.

Stoke had a golden chance to nick their first ever league win at Anfield in the dying minutes.

Ryan Shawcross poked the ball wide from inches out — but his boss was happy with the point.

Lambert said: "All I wanted was to go into the last few games with a chance of staying up.

"We deserved it.

"We came with a good gameplan and played a really good game — the commitment, throwing bodies into challenges, and we might have sneaked it.

"If we had played like that from the start of the season, I would not be here and they would be cruising in the league."

Liverpool boss Jurgen Klopp thought the penalty should have been given — but Lambert was having none of it. He barked back: "If that was a penalty we may as well all just have left. It is never a penalty.

"You can understand Jurgen Klopp's frustration about it but it's no penalty."

The result put Stoke within three points of Premier League safety before Swansea's evening kick-off against Chelsea.

The Liverpool manager was frustrated that his team couldn't turn all their possession into goals.

He said: "I saw everything I wanted to see except fluency and fun and joy, it is hard on a day like this. Stoke were a little lucky in some situations. We had to make changes, that is always a bit of a rhythm breaker, in the final third everything is instinct between the regulars, and we missed a bit of that. But no-one was seriously injured so we carry on."

OFFSIDE: Ings' goal was ruled out

While Klopp is focused on his trip to Roma on Wednesday night, he knows Liverpool haven't assured Champions League football for next season yet.

### Better

They need one more win to be sure of a top-four position and still have to face their rivals Chelsea in the Premier League.

The German said: "I take the point. It's an important point, we need another three and we have two games.

"If football is fair then we will take these three points. It was an acceptable performance but we can play much better."

## Terriers in trouble as Toffees cruise it

**EVERTON kept their Europa League hopes alive — and dropped the Terriers right into trouble.**

**Goals from Cenk Tosun and Idrissa Gueye left the home side looking nervously over their shoulder.**

**Their tally of 35 points suddenly doesn't look enough to make sure of their Premier League future.**

**With their final two games being against Man City and Chelsea, it's hard to see how they can pick up any more.**

**The Everton fans who protested through the game must have felt at least a little sheepish as the Toffees cruised to victory at the John Smith's Stadium.**

**The banners were up and the boos rang out towards Big Sam.**

**But on the pitch, Everton always looked one step ahead of the Terriers.**

**The opening 30 minutes were pretty dull until the home side had a huge appeal for a penalty turned down.**

### Theatrical

**Rajiv van la Parra tangled with Nikola Vlasic just inside the box.**

**There seemed to be contact but the fall was too theatrical for ref Lee Probert's liking.**

**Van la Parra had a good chance seconds later but couldn't keep his shot down from the edge of the area.**

**Just as Huddersfield appeared to be getting on top, Everton took the lead.**

**Theo Walcott used his pace to run away from the Huddersfield defence before teeing up Tosun on the edge of the box.**

**The big Turk showed his class with a rasping finish into the bottom corner.**

**Everton almost made it 2-0 just shy of the hour. Good work by Vlasic created the chance for Seamus Coleman but Jonas Lossl kept out his close-range shot.**

**The Toffees made the points safe 13 minutes from time.**

**Sub Oumar Niasse curled in a cross that Leighton Baines flicked to Gueye who finished well from just outside the penalty area.**

# Europe just a point away for Clarets

Burnley 0 Brighton 0

BURNLEY need one more point from their final two games to qualify for the Europa League after this draw.

The visitors will also be pleased with their efforts which go a long way to securing their Premier League survival.

Brighton came set up for a point and kept things tight in the opening exchanges. The first real action came on the quarter-hour when Lewis Dunk handed Burnley posession in a dangerous area.

Johann Berg Gudmundsson unleashed a shot that whistled wide.

Burnley had a penalty shout when Shane Duffy cleared a Kevin Long effort off the line following a free-kick. It may have hit his arm but would have been a harsh one.

The biggest chance of the first-half fell to Ashley Barnes.

He was picked out by a perfect Matt Lowton cross but he couldn't keep his effort away from Albion keeper Mat Ryan.

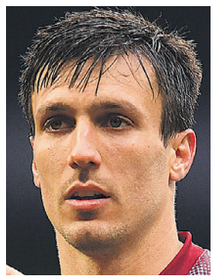
## Unfinished

Just before the break, Gudmundsson curled in a free-kick from just outside the Brighton box that had the visitors' keeper scrambling but he kept the ball out.

Albion made a quick start to the second half with an Anthony Knockaert cross-shot going unfinished inside the box.

Then Pascal Gross brought the first decent save of the game from Burnley keeper Nick Pope.

The game was drifting along as Sean Dyche threw on Sam Vokes in place of a quiet Chris Wood who appeared to have taken a knock.



EURO STAR: Jack Cork

And he almost scored within seconds but couldn't quite reach a well-aimed cross.

Brighton boss Chris Hughton threw on Glenn Murray for the final 20 minutes, taking off Leonardo Ulloa.

It made little difference as the game petered out.

Burnley midfielder Jack Cork is confident the Clarets can get over the line and make it into the Europa League.

Only Everton can stop them but goal difference also favours Sean Dyche's men.

He said: "It would be massive.

We've had a great season. It's great for the town and great for the club.

"It would be a massive experience for everyone.

"Looking at the other results, for both teams a point here is probably good."

ARSENE'S LAST OLD TRAFFORD CLASH

# POGBA ARSENE ABOUT

## He wants to give fellow Frenchman sad send-off

**PAUL Pogba wants to spoil fellow Frenchman Arsene Wenger's last trip to Old Trafford.**

By PAUL THOMAS

The Manchester United midfielder has maximum respect for the outgoing Arsenal manager.

But that counts for nothing when the Gunners come to the Theatre Of Dreams today.

United are not quite sure of a top-four finish yet and want to make sure they grab second spot behind noisy neighbours City.

Pogba's performances in a red shirt have improved in recent weeks and he played a big part in beating the other team in north London — Tottenham — in the FA Cup semi-final last week.

He wants to continue that run against the Gunners.

Pogba said: "It was an objective of ours to be in the final in the cup.

"We had a very good result and a very good performance.

"That was the performance we were looking for, and the mentality and the teamwork we are looking for until the end of the season.

"Mentally we are strong, and it showed that we can be a strong team altogether.

"We have shown it during the season against the big teams, most of the time, but we need to keep it up against other teams as well.

"We need to keep playing altogether with the same mentality."

## Quality

Pogba could do with a good performance against Arsenal after his mishap at the Emirates earlier this season.

United won the game 3-1 but the home side were on top for most of it and the French midfielder was sent off.

It took a string of quality saves by David De Gea to keep the Red Devils in the lead.

Pogba added: "We need points. They have had a big game against Atletico Madrid in midweek so maybe that might help us if they are a bit tired.

"We know it's going to be a hard game, it was a very hard game against them earlier in the season.

"But we had a very good team performance and David was amazing with his brilliant saves to help us get the win.

"We need that again and we need everybody to be at their best because when that happens it moves the team up.

"We've been great in the last game with the team performance and against the top

teams you always have to produce that."

Arsenal come up against one of their former stars in Alexis Sanchez, who has started to find his feet in a United shirt.

The 29-year-old swapped the Emirates for Old Trafford in January after refusing to sign a new contract.

## Strong

Wenger admits it will be hard coming up against the Chilean ace.

He said: "The only thing that has not changed is the colour, that is still red.

"It's strange for me to see him in a different shirt because he had a strong bond with the club and of course he was here for a few years. He did extremely well for us during that time."

Wenger is not complaining about Sanchez moving with Henrikh Mkhitaryan coming the other way as part of the deal.

He added: "At the time he did not accept our contract offer and the best possible way where we could get something from his departure was to make an exchange for the player of the quality of Mkhitaryan.

"For him, it was a move to another big club.

"Overall, both parties had interest to do what happened."

# Pep banks on Leroy for more glory

## West Ham United v Manchester City

Sunday, 2.15pm kick-off, live on Sky Sports Premier League

**PEP Guardiola believes we ain't seen nothing yet from Manchester City ace Leroy Sane.**

**The forward has just been named as PFA Young Player of the Year after some brilliant performances.**

**His pace and goals have been an important part of City winning the title. Now Guardiola expects the 22-year-old to kick on and establish himself as one of the best players in Europe.**

**He said: "The most important thing for Leroy is consistency during the games.**

**"One guy or two guys can play good for a short period, but he's been good during a long period, excellent.**

**"His consistency was the most valuable thing. His quality speaks for itself.**

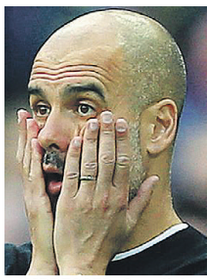
## Potential

**"But with Leroy and Raheem Sterling you have a feeling, the most exciting part, for a manager, is he has a gap, space to be a better player. It depends on them.**

**"Leroy and Raz, they can be better with the basics, understanding the game. But both of them have huge potential. We cannot forget they are only 22 and 23."**

**City have left-back Benjamin Mendy back from seven months out with a knee problem.**

**The 23-year-old is hoping to show enough in the last couple of games to force his way into France's World Cup squad.**



IMPRESSED: Guardiola

**Guardiola hopes he can make it to Russia, saying: "Deschamps has to decide on that. After six or seven months you need time to reschedule your brain, your knee, your football skills.**

**"But in the last three weeks or more the important thing is he's done everything with us. It's a joy to train with him. That's good."**

**West Ham need one more win to guarantee safety but may be without skipper Mark Noble.**

**He has a niggle but Manuel Lanzini is back to full fitness.**

**Boss David Moyes said: "I don't know if there is any good time to play Manchester City.**

**"Look at the form they are in, the players they have got available and the quality of those players.**

**"We have to play them all twice and we will do everything we can to give them a game, make it as tough as we can.**

**"The objective is to try and take all the points."**

## Wenger wants to end his Jose feud

By JOHN ANTHONY

**ARSENE Wenger wants to make friends with Jose Mourinho after years of feuding with the Man United boss.**

The Frenchman has been at daggers drawn with the Portugeezer ever since he famously shoved him on the Stamford Bridge touchline in 2004.

Now Wenger is retiring, Mourinho said "we could be friends in the future" and it seems like Arsene is ready to feel the love.

He said: "I respect him of course — you should give me a little bit of peace for my final weeks and not try to push me into another confrontation.

"I want to go peacefully and with Mourinho now because he is a great manager. I say goodbye to everyone. In France we say au revoir which means you might see me again."

Former United chairman Martin Edwards says he had talks with Wenger about taking over from Sir Alex Ferguson — but he wouldn't leave the Gunners.

The Frenchman added: "Arsenal is the love of my life. Yes, I met Martin Edwards but I was loyal. I turned many clubs down to stay here and face the challenge and build the stadium."
